GFWC WOMAN'S CLUB OF DEERFIELD BEACH

MAY 2018

Marti's Message,

Dear Members:

You really made me SMILE. I am very proud to serve as your President for 2018-19. All our Officers and Committee Chairwomen are dedicated to preserving our club's history and implementing all kinds of activities for our 100th Birthday in 2019. They will need your help, so when they ask I know you will be there for them with your talents and experiences in hand.

Our Officers' Installation Dinner was a WOW event with thirty-seven members attending. District 13 Director, Marie Ambrisino, swore us all in with a Garden Theme and gifts of flowers and pinwheels to correlate with our theme, Pinwheels for Prevention (Child Abuse Awareness Month). Also attending was Dist. 13 Presidents' Project Chair, Carol Johnson.

The Deerfield Beach Café, provided us with a gourmet dinner, and the Key Club Students from Deerfield Beach High School helped serve. Décor was festive in Blue & White and our Pinwheel Garden and outdoor plantings welcomed everyone to our club house.

Toula Amanna was awarded an appreciation plaque for "ALL" she does for our club and others in our district. Other members received their Years of Service Pins. New members received Star Fish Pins. Katy Freitag, Volunteer of the Year, and Ellyce Plotkin, Beach Clean Up, were awarded certificates and gifts of appreciation. Outgoing Officers, Verna Rosensweig, & Fay Swalley, and Newsletter Writer, Bett Willett, & Newsletter Distributer, Pat Pollotta received gifts/certificates, all serving over 4 years in their positions. Outgoing Officers, Sue Casanover & Pam Militello, and Social Chair, Sally Brinkworth received certificates of appreciation. Outgoing President, Mary Mc Kenna was given a lovely heart necklace and certificate for her service. I want to personally thank Director, Denise Bogner and 1st V.P., Phyllis Mavrikis for "All" they do! They are always there to pitch in when the need arises.

Remember, when you stand alone on one foot, the task is very difficult, but when you reach out and touch the person next to you, you become balanced and can stand a long time. Working together as a team makes great things happen easily. We have lots of work to do and many volunteer contributions to make in our community. Our membership is growing, and we truly are showing Unity in Diversity as new members with many talents join and strengthen our club.

Thanks for all you do! Future generations depend on it!

Marti

From Marti

The annual Surfers for Autism event was held at the Main Beach in Deerfield on Saturday, April 7th. Several members attended and helped. Christina Fink was there all day, with some of her students from Deerfield Beach Elementary. It was so much fun to see the participants enjoying themselves on the surfboards, while being provided with assistance.
