GFWC Woman's Club of Deerfield Beach

OCTOBER 2018

Marti's Message,

Dear Members:

Hats Off to Us! Working together in unison our Club is in full swing volunteering and shining our light on projects to help others. I want to personally welcome all the new members and to thank Sally Brinkworth for being such a good spokesperson for our club. The future of our club depends on spreading the good works of our club.

OPERATION SMILE: Sept. 15, 18 members gathered to make blankets for the children after their surgery. No No Splints for their arms are being sewn at home to help the healing process. This is an ongoing project. Sept. 29, we partnered with Coral Springs Woman's Club at **Painting with A Twist**. 3 members and 2 guests attended. We had so much fun and contributing \$122.50 in donations to Op Smile. I got lucky and won the Spa basket. October 9 there is **Dinner at Duffy's. Let's all dine together and see how many surgeries we can fund.**

RELAY for LIFE: Kitty Cole and members helped raise over \$400 dollars for Cancer Research. Rain, wet sand, and soggy bags didn't daunt their efforts. Kudos to DBHS Key Club girls, for coming to the rescue and helping refill bags for the HOPE display.

GFWC FALL BOARD: "Suitcase of Smiles": Claire Riccardi, Jackie Viegas, and I attended the convention in Orlando, 9/21-23. We have brought back a wealth of info from 13 workshops covering all our 6 Departments, Reporting and Social Media. Guest speakers highlighted importance of the Arts4All and community partnerships. Convention is an investment in our future and in the understanding of how to help our club be more affective in our endeavors to help individuals, our communities, state, and round the world.

SOLES FOR SOULS & FREE THE GIRLS: Through the generosity of our members we were able to take 29 pairs of shoes and 60 bras to Fall Board. Clubs from all over the state piled high bags of these items for such good causes.

Remember to mark your calendars so you don't miss all the activities and projects.

See you October, 9.

Thank you for all you do!

Marti

Dear Woman's Club Members,

When replying to an email please take a second to decide if EVERYONE who received the message needs to see your response or ONLY THE PERSON who sent it.

Do not reply to all when:

1. Only the original sender needs to know your reply.
2. Your comments will be crucial to know for the original sender and a few other recipients. Do a normal reply in this case, and then add the select other recipients manually.
3. Your message is simple like "Thanks!" or "Me too".

Thank you for being considerate.

David Ganim, from Mothers Against Drunk Driving(MADD) came to the evening meeting on Sept. 19th, he really gave us a broad insight into how the MADD organization is fighting to reduce the number of drunk drivers through education and laws, many members of the Woman's Club have made donations to the MADD organization through the Woman's Club. If you would also like to contribute to this worthy cause, please make your check out to MADD, and give it to Melissa, our treasurer. Thanks to all those who donate!
