

## **Claire's Corner**

**April, 2020**

Dear Members,

Thank you to all who took the time and came out to vote for our 2020-2021 board. We appreciate your devotion to our club elections each year. I want to thank all our devoted Executive Board for 2019-2020, who spent many hours and their talents for all our meetings, projects or events. We all appreciated it very much as well as I did by your side as President.

Now I wish to say thank you and congratulations to my new team, and express my sincere thanks to all of our members for my re-election as your President for 2020-2021 year. I humbly appreciate it and am honored to represent the GFWC Woman's Club of Deerfield Beach as your President. I am looking forward to another great educational, eventful and loving fun together whether at a meeting, project, event or trip by your side.

The hardest thing as a your President that I have faced these past few weeks is the second hardest I have had to make. My first was making the choice I do not wish on anyone—to let my husband go, when the Doctors said, you have to say yes to ending his life on earth. The second one was to tell you we must not meet at our clubhouse for anything due to this virus until further notice. I am sorry for both, more than you will ever know. But let us think of the good times, the laughs, the parades, the parties, the events, the projects, the trips far and near. How much joy in over 100 years we have done for our community by doing all this. No one can take that away from us. We did it together in the past, and we will do it again, forever and where ever we can! Congratulations to our Arts and Crafts show artists talents. Thank you, Marti for sharing you article and pictures. First place Rita, you go girl! Congratulations again to Aim Kay, for Volunteer of the Year so excited, looking forward to the State convention for you to attend too.

In ending, I will personally continue to call, check up on all as you all mean the world to me and truly are my extended family and friends as we are in this dangerous time. Feel free to call 24/7 if there is anything you need, even a bag of Cheetos....I can help in any way to make this time easier for you and or your loved ones or friends. I will continue to send out and notify personally any free items, dinners, items for children, etc., asap if I find out via my contacts.

I am keeping you all in my prayers. God bless you all.

Your President,

***Claire Riccardi***

# Your Clubhouse News

**CLUB HOUSE:** General once a week cleaning will continue as of now. The service will get some things done that are difficult to get to when so many people daily use the clubhouse.

If you are inclined to work outside, there is always something to do in the yard. Trim flowers, weed, rake a little, **sunshine and exercise** are good for keeping you healthy. You can do this on your own, just let me know when and keep track of any volunteer hours.

Some days I will be at the clubhouse to do a few light chores. I will send out an email for day and time probably night before or early in the AM. Cleaning inside Kitchen cabinets, dish cleaning (we have a dishwasher), small chores like that . Our clubhouse, like your house, always needs a sprucing up.

**FLOORS:** The terrazzo floors (especially the Main Room) are in dire need of a REAL scrubbing. Now that the building is pretty much empty all day it would be a good idea to do this. I will be looking into a couple of companies for a price and submit to the Ex. Board.

**OTHER:** Some outside lights are not functioning.

Some inside and outside painting need touching up.

Anything you see needing to be addressed you can contact me: [martimcg@gmail.com](mailto:martimcg@gmail.com) or by phone, 954-421-4700.

If you have any tablecloths you washed let me know when you want to drop them off.

I will keep you posted through the month, especially if we have no meetings.

Friends in Federation,

Marti Mc Geary 2<sup>nd</sup> V.P

## Smart Shopping

**Minimize Trips to the Store** - making a list before leaving home can help make sure you get everything the first time.

**No Need to Hoard** - there is no disruption in supply chain, buy just enough for your family for a week or two

**Protect Yourself in Public** - use sanitizer wipes on the carts and carry hand sanitizer if you can.

**Social Distance** - leave space between you and other shoppers or employees - at least 6 feet.

**Leave the Family at Home** - send just one person to the store to do the shopping to reduce public crowding.

**Ask for Help** - if you are sick, ask someone else to help complete the shopping. **Self-isolate at home!**

**Shop Online** - if you can afford to do your shopping online for either delivery or pickup, do it!

**Restaurant Pickup & Delivery** - local restaurants may also be open for pickup or delivery. Call before to check their status.

A great time was had by all at our March 10th Day Meeting where we celebrated St. Patrick's Day! We had a 50/50 raffle drawing the half went to my President's Project Honor Flight and the other half went to Phyllis. She then gave it back and we added it to the Honor Flight. Barbara Estey won our raffle for one of four tickets to the Active Aging Cuisine of the Region. Unfortunately, the event has been cancelled due to the current state of emergency.
