The Buzz from Bobbi Jo

Greetings All:

Random thoughts from my couch for all of us to ponder:

As our masks come off and we can all breathe again both physically and mentally it is vital that we still be cautious and keep ourselves safe. If you have been undecided about getting your Covid vaccine it's time to step up and get it done. It's the best thing you can do for yourself and others.

The past year produced some lonely times for all of us. Isolation was hard. After all, how many times can you clean out the same drawer? You had plenty of time to do your laundry but there wasn't much to do because you lived in your pj's. The good news was you didn't have to wear makeup because you always wore a mask. We all missed our family and friends and I discovered the phone and TV (fantastic as they are) could not replace being in the same room with people you love. I know we all appreciate our new sense of normalcy but we need to be careful so we don't lose our freedom again.

Just as we were all feeling like we were going back to "Mr. Rogers neighborhood" a horrific thing happened like the collapse of a 12 story building in Miami. These things just aren't supposed to happen in our world. As we struggle to understand and wonder what should we do? What can we do? We can pray for the victims and their families. We can make a monetary donation or donate clothing and supplies.

The fourth of July is upon us and as we celebrate our country and our freedom please remember our wonderful military who keep us safe and free.

Bee happy and stay safe and celebrate every day of your life!

PS Don't forget to come for lunch on July 13th @ Galuppi's!

Thank you,
Bobbi Jo, President

Volunteer Hours

Don't forget to keep track of all your Volunteer Hours. Things to count are, time spent preparing for meetings and projects, meetings, in kind donations, etc. If you forward your time and donations each month to Bobbi Jo she will keep a log for you. This is much easier than scrambling at the last minute at the end of the year where you are more prone to make mistakes.

AND THE GFWC DEERFIELD BEACH
WOMAN'S CLUB
2021 SCHOLARSHIP WINNER IS.....
MADISON TROWBRIDGE

The GFWC Woman's Club of Deerfield Beach is pleased to announce the winner of our \$1,000.00 scholarship, Miss Madison Trowbridge, a graduate of Highlands Christian Academy.

Madison will be attending Florida Gulf Coast College to obtain a Business and Communications degree which she hopes will enable her to one day own her own business and be able to give back to the community that has enriched her life.

She has completed over 180 hours of community service by mentoring and tutoring younger students, volunteering at Morning Day Community Solutions, and other projects like "Blessing Bags" distributed to the homeless.

"I have learned that if you do not have money to help others, you can always make giving time a priority." M. Trowbridge

Congratulation to Madison, a well deserved applicant!

Members will have the chance to meet Madison at the luncheon at Galluppi's this month.

Making Dreams Happen one Scholarship at a Time!

In 2012 our Club made an EESF donation of \$1,000 to then Deerfield Beach resident and high school graduate, Lindsay Sullivan. Lindsay attended FSU then went to graduate school at the University of North Carolina for pharmacy. She has completed her residency at Mission Hospital in North Carolina and lives in Swannanoa, NC.

Hannah Prock was a 2013 EESF recipient of \$1,000 scholarship. Also, a resident of Deerfield Beach, Hannah went on to study at UF. She was accepted to Medical School at UCF and graduated this year as a Physician. Hannah is currently a resident at Walter Reed Medical Center in Washington, DC studying as an orthopedic surgeon. She is a lieutenant in the US Navy and is married.

Emily Ryan, a 2018 GFWC Deerfield Beach Scholarship recipient completed her Associate in Arts degree from Palm Beach State College in 2020, and immediately began her studies at the University of Central Florida, Orlando. In February, Emily was initiated into Tau Sigma, the National Honor Society for transfer students. She is currently in her senior year, studying psychology, and plans to continue her education to become a pediatric physician's assistant.

These talented young ladies are a testament of their dedication to achieve their goals and use our scholarship donations for good work.
