The Buzz from Bobbi Jo

Greetings All:

There have been many times in my life when I felt like I wasn't worthy or wasn't good enough. Those thoughts made me feel unhappy and sad.

The truth is we all have something to contribute, and we all have the ability to be happy. We just need to decide to be happy and to just get out there and do it. Volunteering with a group of your peers is a wonderful way to increase your circle of friends.

Helping others is also a remedy for chasing the blues away and making you feel happy as well as making others share your happiness. So take a chance, put your "big girl" panties on and sign up for a committee and get involved. Do not do it for me, do it for you. Remember to smile and enjoy what you are doing because you have a lot to offer, and we need you.

Last month's meeting at the Flashback Diner was delightful. We were all so excited to see each other face to face and share our experiences from the last 13 months. The room was filled with laughter and a general feeling of goodwill.

For the people who come to day meetings we are on vacation until September. For the people who meet in the evening your meetings will continue throughout the summer. If you aren't going away, please feel free to attend the evening meetings where you will be welcomed with open arms. Evening meetings are the 3rd Wednesday of every month at 7 o'clock in our clubhouse.

**Thank you,
Bobbi Jo, President**

Volunteer Hours

Don't forget to keep track of all your Volunteer Hours. Things to count are, time spent preparing for meetings and projects, meetings, in kind donations, etc. If you forward your time and donations each month to Bobbi Jo she will keep a log for you. This is much easier than scrambling at the last minute at the end of the year where you are more prone to make mistakes.
