

PRESIDENT'S MESSAGE NOVEMBER 2021

The Buzz from Bobbi Jo

Did you ever stop to think that a little KINDNESS can change someone's life? Something as small as a smile or a kind word can make a sad or depressed person feel good and possibly change their day for the better. We should never assume that we know what another person is dealing with in their life. "OUR FIRST JOB IS TO BE KIND". If we can do that one little thing every day we can make our world a softer and kinder place. I am very proud of our club for all the good deeds we do to help the less fortunate around us as well as our international community suffering from poverty and natural disasters. "THE ULTIMATE KINDNESS IS GIVING SOMEONE A SECOND CHANCE"!

"Be Kind to Make a Difference." **Stick Your Neck Out with Kindness**", it will make you feel good and others, too! **Bobbi Jo**

TOGETHER WE DID IT! The "Raise Our Roof Rummage Sale" was grand! So many donated goods it took our volunteers three days to catalog, price and display them. The club netted \$1,300.00 including a \$100 cash donation from Amie Kay Tanner. Kudos to All!

MARK YOUR CALENDARS! Annual Silver Service Tea, Nov. 9. GFWC Membership Year Pins will be awarded. Evening Meeting, Nov. 17 pins will also be awarded. Come and congratulate club members for their dedicated service. Think Membership, Bring a Friend! Will be addressing Holiday Cards, if you have some extra non-religious, bring with you.

GFWC SOUTHERN REGION

CONFERENCE October 22-24, 2021

Katy Freitag had the pleasure of attending the GFWC Southern Regional Conference in Orlando with members from Florida, Mississippi, South Carolina, Georgia and Alabama. Over 250 in attendance looked forward to local tours to Disney Springs for shopping or a Wine Tour for sipping! A trip back in time allowed members to view Medieval Jousting Tournaments and dress in period costumes. Great fun and a great learning experience!

One of the pivotal takeaways was our need in Branding our Clubs better. Wearing our yellow shirts in public, even on non-meeting days is always a great way for people to recognize us and learn more about us!

Katy will share more about the Conference in the upcoming meetings!

OUR BELOVED MOAI ARE HOME AT LAST!

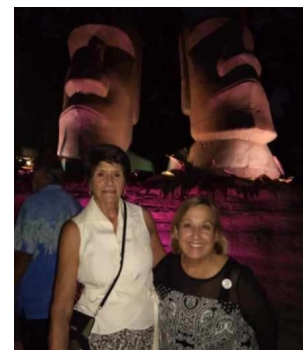

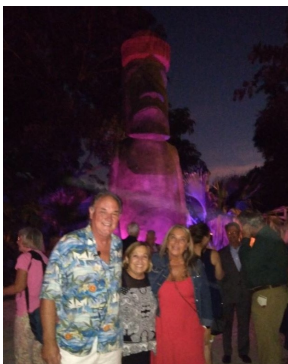

RAPA NUI REEF - A Marine Habitat
Deerfield Beach, Florida

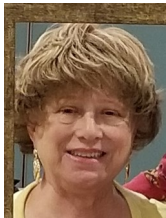

Sponsored by
GFWC Woman's Club of Deerfield Beach

WC Lifetime member, philanthropist and local contributor to Mounts Botanical Garden in West Palm Beach hosted a reception on October 27. Members Sally Cloeren, Debbie Rollo, Mickey Rosenkranz, my husband and I attended. Margaret was very generous in her presentation acknowledging our club's participation in the Rapa Nui Project in 2015. The barge was upended as it sank to the bottom of the ocean just off the Deerfield Fishing Pier.

Fast forward—2021. Four of our beloved Moai, some 30 ft high rendered by artist, Dennis MacDonald, have been placed in Mounts Botanical Gardens for everyone to see and to learn the history of Easter Island. In the near future we can plan a visit to enjoy their majestic beauty.

Good day to all ladies, praying all well.
